Welcome to your Courtyard Cafe

- The *best conversations* around the world have been around coffee.
- People enjoy informal spaces and sitting around table enjoying conversation
- *So why this business tool?*

Welcome to your Courtyard Café

Sets a space where learning from each other's ideas, input and suggestions becomes the richness we require to think differently about business practices

Courtyard Café Overview

- Step 1 – The Process
- Step 2 – The Conversations
- Step 3 – The Talk Show

Courtyard Café – Step 1 - The Process

- Café's will be themed in five topics as indicated in your handouts
- Self select your café's - You will be given 5 minutes to determine your top three

Courtyard Café

Step 1 - The Process

- You will be asked to move through THREE Cafes – and have THREE different conversations
- Each café session will be 15 minutes long
- I will be wandering around the café's if you have any questions or need some supplies...

Courtyard Café

Step 2 – The Conversations

- Each Café is equipped with “a menu” of questions to begin your conversation around the Café theme
- Each café host will be listening carefully to capture the conversation
- **Your role** as a guest is to listen carefully to others and contribute your thoughts and ideas
- The same host will be at the same café for ALL Three rounds.. only the participants move..

Courtyard Café

Step 3 – The Talk show

- Each Café host will be providing a summary of their Café's conversations to all you

Wrap Up
